

Guardians and Students,

The City of Bristol Department of Parks, Recreation, Youth and Community Services invites you to participate in our 2021 Summer of Fun! For a full list of programs and events, be sure to check out the [2021 Summer Brochure](#).

We are pleased to announce the return of our popular programs and events such as Summer FUN Camp, Little Explorers, Teen Adventure Camp, learn to swim classes, sports clinics and our Tuesday night Summer Concert Series. Additionally, the highly anticipated All Heart Pop-Up Park Series will be coming to a neighborhood near and at long last we will be celebrating the grand re-opening of Page Pool with an event on June 18, 2021. For our baseball fans we are pleased to report the Bristol Blues will be returning to the newly renovated Muzzy Field stadium for the 2021 season. Players and fans alike will enjoy a brand new field, sound system, state of the art LED light system, and more. For the first time ever, our Youth Services division in conjunction with the Bristol Central/Eastern High School Gay-Straight Alliance and the Bristol Blues will be hosting a Pride Night at the Park.

New this summer we will be opening the All Heart Park Gear Shop located at the Rockwell Park Bathhouse building near the amphitheater which will provide young people the opportunity to access free recreational equipment when visiting the park. This includes bikes to be enjoyed at the mountain bike trails and brand new pump park as well as basketballs, skateboards, volleyballs, and more.

Our city parks, programs and services are more than just spaces and activities. They build community. And our City is emerging from COVID-19 stronger and more resilient than ever. We look forward to building community with you this summer!

See you in the park,
